

Pleasant Hill Residents Combine Efforts to Serve

Are you a volunteer in search of a project? Would you, your family, friends and neighbors like to work together to improve the community?

If so, join the hundreds of volunteers and organizations that will work together on Saturday, September 17, 2005 from 8 a.m. to 1 p.m. for the first annual Community Service Day. This will be an exciting opportunity to both serve and be served while making a difference in our community! Come join fellow citizens as we work together on community service projects throughout the City. All are welcome; there will be something for everyone!

On the morning of September 17, all participants will rally at the Pleasant Hill Community Center for a welcome and brief orientation before starting on your community service adventure! The first 250 volunteers to arrive and check-in will receive commemorative t-shirts. Groups of volunteers will meet up with their project coordinators and then depart for projects that will last into the early afternoon, ending by 1 p.m.

If you are an organization in need of volunteers, you can register your project by filling out the form below to connect with volunteers. Each organization will be responsible for providing the necessary supplies for their project (paint, brushes, brooms, tools, for example).
